

THE BILLIARD ROOM...

**THE GLASGOW ART CLUB**

THE GLASGOW ART CLUB

## THE BILLIARD ROOM...

Recently refurbished to a very high standard, the Billiard Room is a very bright and open room which can seat 50 people for a lecture or presentation. If a cocktail party is more your style, there is standing room for 70 people.

If you are looking for a venue to hold a presentation or lecture, this room has seating for 60 people and fully working shutters which create ideal 'blackout' conditions for slideshows or Powerpoint presentations.

The Billiard Room also has its own mobile bar so your guests don't need to go far to get a drink, and we are happy to discuss any food requirements with you as well.

The most modern of all the rooms in the Art Club, yet still retaining the charm and traditional features of the rest of the building, the Billiard Room is a wonderful setting for whatever event you have in mind.
