THE LIBRARY AND THE RECEPTION ROOM...

If you're planning a party with a VIP feel, look no further. The Library can seat 20 for a dinner party, where we can design a menu exactly as you like it. The Reception Room can seat a more exclusive eight people round a table for dinner, but also has comfortable seating around the beautiful old fireplace. There's no better place to enjoy a glass of wine and a good conversation!

Both rooms are also ideal for business meetings where privacy is important. We can arrange for AV equipment to be in place, as well as providing refreshments and/or lunch as you require it. The inspirational surroundings and atmosphere will ensure your meeting is productive and successful.
