

The Glasgow Art Club – Schedule of Member Exhibitions for 2025/26 (as of 13/10/25)

Member exhibitions feature work by members of the Club who have secured Exhibiting Artist recognition. To secure Exhibiting Artist recognition you will need to submit three examples of your work plus an artist statement for consideration by a jury prior to a forthcoming member exhibition as listed below. You can either do this at any time as a member of the Club, or, when you first apply to become a member. The jury's consideration of your work and statement involves two stages:

- An initial digital pre-selection requiring you to upload digital images of three examples of your work and your Artist Statement using this form - <https://form.jotform.com/252785233964063>.
- Subject to securing pre-selection, physical submission of three works to be considered for inclusion in a forthcoming member exhibition as listed below. These three works do not necessarily need to be the same as those uploaded digitally at the pre-selection stage.

Once recognition has been attained and any membership dues paid, you will be entitled your own online Exhibiting Artist directory space on the Club's website (<https://glasgowartclub.co.uk/directory/>) and able to participate in future member exhibitions. If your submission is unsuccessful then you may submit again with alternative work for a subsequent members exhibition.
